

Is this frequency clear?

CQCQCQ: This is K6RIA the Rialto Amateur Radio Club net.

Updated 8/7/2010

This net meets every Monday evening at 20:00 hrs (8:00) p.m. on this frequency 146.580.

Your net control this evening is **(name and call)** located in **(city)**. In the event of an actual emergency, we will use this frequency for local traffic.

This is an informal net. *Emergency* or *Priority* traffic may break in at any time. At this time, we will have a brief pause for any *Emergency* or *Priority* traffic.

GO TO ROLL CALL ROSTER FOR CHECK-INS. CALL MEMBERS BY THEIR CALL SIGN AND FIRST NAME ONLY.

******* Are there any late or missed members who would like to check into the net? Are there any visitors who would like to check into the net? (*Please be sure to note any visitor check-ins on the roll call roster*).

RECAP MEETING DATES, TIMES, IMPORTANT INFORMATION (*can refer to monthly calendar*), and ANNOUNCE WHO WILL BE NET CONTROL FOR THE NEXT MONDAY NIGHT NET.

ROUNDTABLE: Does anyone have announcements or information for the net? If so please come now.

Hearing no further traffic, net control will now close the net at **(GIVE TIME)** **(example: 8:20=20:20 hrs)** local time. This frequency is now returned to normal use.

This has been **(Name & Call Sign)** for K6RIA the Rialto Amateur Radio Club net. I'd like to thank our members and visitors for their participation this evening.

73's, **call sign**
